

Dear Gr 4 – 7 Parents.

November 2024

We will shortly be putting the grade exercise book lists on **myBishopsLife** to allow you to label and cover the books correctly.

We encourage parents to reuse any plastic covers from this year, or to please cover the exercise books with the re-useable covers that have been placed on the Waltons Stationery lists and then to slip a plastic covering over it for further protection if need be.

It is very important that each book be labelled with the correct label on the front.

A good practical solution would be to colour code the books according to the subjects. (see below for Grade 4 requirements)

Jack Smith
Grade 6
Science

Workbooks such as Mental Maths do not require further covering of plastic as we are trying to limit the use of single-use plastic.

A few textbooks that will be issued during the first week of the academic year will have been covered in durable contact paper already.

GRADE 4: Please can you cover the books in the following colour paper:

English: Red

Maths: Blue

Afrikaans: Yellow

Science: Brown Paper – DO NOT COVER IN PLASTIC YET

Social Science: Black

isiXhosa: Green

LO/Divinity: Own colour choice.

Thank you in advance.

Kind regards,

K Dallas
Academic Head
