## CARADOC

### CAPE PROPERTY SPECIALISTS

## Talk to the CARADOC team today

*Linda Smolders, Candice Bakker, Paula Caradoc-Davies & Giles Pohl*

In 2017 Paula obtained her Principal Agent status as Master Practitioner Real Estate and partnered with her husband Giles Pohl (another property expert and OD - W85), to launch CARADOC – Cape Property Specialists. In 2021 Linda Smolders and Candice Bakker joined the team and together we sell residential properties in Cape Town's Southern Suburbs, City Bowl and further afield. Paula's father, Geoff Caradoc-Davies (OD - W60), is a registered valuer and a director of CARADOC and he manages the sale of commercial properties between listed funds and wealthy private individuals.

Because CARADOC is owner managed, you benefit from our combined skills and personal efforts as we guide you through and manage the sales process. Our qualifications, experience and success in the industry mean we will ensure that your home is sold at the best price and in the shortest possible time.

Importantly, we keep our overheads low so we can offer commission of only 2.5% (plus VAT) on exclusive mandates. And, we have a whole bunch of testimonials from recently satisfied sellers and buyers that we will happily share with you.

If you are interested in talking about the sale of your home, or if you'd like our opinion on the current market value, please contact the CARADOC team today.

IMMIGRATION  
south africa

# AMERICAN EMIGRATION OPTIONS THROUGH OFFSHORE PROPERTY INVESTMENTS

Through the **EB5 programme**, the investor, their spouse and any children under the age of 21 would qualify for green cards and ultimately US citizenship.

The required investment is USD 900,000 in the NYC Lightstone Towers, a beautiful residential development in the heart of New York. The developers have an exceptional EB5 track record across numerous projects, an A1 Moody's credit rating, and your investment is repaid in full at the end of the investment period.

Through the **E2 treaty investor visa**. As a South African, the first step is to secure citizenship in Grenada. The process is relatively quick and simple, through your investment of USD 220,000 in the beautiful Six Senses resort. As soon as you have your Grenadian passport, you can apply for your E2 visa to operate a new or existing business in the US. The recommended business investment in the USA is USD200,000.
