

Bishops - 2025 Grade N Playball

What an exciting year for the Grade N group as they start at “big school”. The Grade N Bishops boys do the Playball **Dinkies** programme, specially designed for the 4-5 year old age group.

As **Dinkies**, they work at the first 4 of the 6 **Playball Focus Points** thus building a solid and competent foundation for each skill. They put skills together with **skill sequencing** in situations similar to what they would

encounter in the **actual sport**.

What is our policy?

- To take **limited numbers** per class to ensure enough individual attention
- Teach an **age appropriate, educationally aligned** progr & follow the Head Office **curriculum**
- For our coaches to be **value driven** in their teaching (positive approach / build confidence)

What is our methodology?

- To apply the **Playball Focus Points** (PFPs) coaching method which breaks each skill smaller components (ensuring correct technique in the early learning phase already)
- Use **Maximum Activity Levels** to ensure that boys are constructively active during the lesson
- To use **Creative Presentation Methods** to ensure that activities remain fun and challenging

FAQ 1: What if my child has done Playball before? *This is excellent. The Playball Dinkies programme is the logical progression which builds on the Watch Me Play programme they did as 3-4 year olds.*

FAQ 2: Do we receive updates on what boys are doing? *Yes, you receive whatsapp Canva notes / pics.*
